Dear Hiring Manager,

I am writing to express my enthusiasm for the Mobile App Development Intern position at Tikona as advertised. I believe my basic knowledge of mobile app development and my desire to learn make me a great fit for your team. I am eager to work with experienced developers and be involved in all stages of app development, from design to deployment.

In my studies, I have gained experience developing Android apps using Java and Kotlin. I am familiar with RESTFUL APIs, JSON , and integrating third-party libraries, which are important for creating feature-rich mobile apps.

I am drawn to this internship because it offers a chance to work on real projects and learn from experienced developers. The possibility of a full-time job after the internship is very motivating for me.

I am confident that my problem-solving skills, teamwork, and attention to detail will help me contribute to your team. I look forward to discussing how I can help your company while continuing to grow as a developer.

Thank you for considering my application. I hope to hear from you soon.

Sincerely,
Vedula Aakanksha
